TRAIN WITH PRO RIDERS INCLUDING ANDREW SHORT, JAMES POLVONY AND TUCKER HIBBERT DURING FCA MOTOCROSS CAMP AT ERX

The motocross event of the season is coming to Elk River, July 19th as the Elk River Extreme Motor Park (ERX) and the Fellowship of Christian Athletes (FCA) team up to bring some of the best motocross riders in the world to ERX for a one-day event which will inspire and give you hands on training to be better both on the track and off.

Scheduled in conjunction with the AMA National Motocross races in Millville, Minnesota; you can watch your favorite riders compete on Saturday and then learn from them on Sunday at ERX. Confirmed riders who will be at ERX include Andrew Short, James Polvony and Tucker Hibbert (who is also a world champion snocross and X-games gold-medalist). These top riders and others will deliver world-class hands-on, personal instruction to those in attendance on every aspect of competitive motocross both on the track and off. Many of the pro riders are also expected to be available for autographs and photos following the event.

All ages are welcome to attend and the cost is just \$105 per rider. Interested riders are encouraged to register early; registration is limited and this event is expected to fill up fast. Registration information can be found online at www.ermotorpark.com or simply call 763-712-3965. Gates

Andrew Short

open the day of the event at 8:00am for check in and classes and instructional seminars start at 9:00am and conclude at 4:30pm. Lunch will be provided with paid registration.

Don't miss this chance of the season to train with top professional motocross athletes and experience a life changing truth what will inspire you to ride harder, faster and with a new purpose. For more information on the Fellowship of Christian Athletes visit them online at www.fcaml.org.

For more information visit www.ermotorpark.com or call 763-633-RIDE. ERX Motor Park is located just 3 miles north of Elk River just off Highway 169.

ERX NOW FEATURES NEW TRACK WATERING SYSTEM

One of the final elements of the ERX moto track was finally completed this past week, as a professional track watering system installation was completed. This high volume system allows ERX staffers to virtually water the entire ERX track in just minutes, with multiple stations and a high flow pump that experiences no pressure loss, regardless of how many stations are on. The first-class system was one of the final steps to be completed this summer in order to transform the first year facility to one of the best in the Midwest. Combined with some of the finest loam in the area, that has been filtered

to rid it of most large rocks, the combination of dirt and accurate watering has made one of the best tracks in the area even better. Join us for open practice Tuesdays and Thursdays from 2:00pm to 7:00pm

or at Round 3 of the ERX Summer Moto Series, Saturday July 11th to experience it for yourself.
